Yavapai Regional Medical Center West

Welcome to Yavapai Regional Medical Center West

Yavapai Regional Medical Center (YRMC) is a progressive community healthcare system dedicated to providing a wide range of healthcare and human services for the residents and visitors of Yavapai County.

Working together at YRMC, we are committed to creating a total healing environment and achieving the highest level of patient satisfaction.

Yavapai Regional Medical Center sincerely cares about the health of our patients, their loved ones, as well as

that of all our visitors and staff. Since the health of each person matters greatly to us, we ask that you do not smoke or use tobacco products on our campus.

Thank you for helping us create the healthiest environment possible for our patients, visitors and staff!

Please ask our volunteers if you would like assistance in finding your way around the hospital. We are glad to help!
