

## Get to know our breast surgeon, LaNette Smith, MD, FACS.

Dr. Smith is an accomplished breast surgeon who has cared for breast cancer patients – women and men – for more than 20 years.

Her interest in pursuing breast surgery as a specialty developed during

her general surgery residency. Women with breast cancer sought her out to care for them, inspiring Dr. Smith to pursue a breast surgery fellowship.

**Fellowship** – Breast Surgery, University of Arkansas for Medical Sciences, Little Rock, Arkansas

**Residency** – General Surgery, University of Oklahoma, College of Medicine, Tulsa, Oklahoma

**Medical School** – University of Oklahoma, College of Medicine, Tulsa, Oklahoma

**Board Certification** – Fellow, American College of Surgeons

**Honors** – There are many academic and other recognitions, but Dr. Smith is most proud of the Top Doctor awards she received from *Oklahoma Magazine* and Castle Connolly, a patient research firm.

## Breast Surgery

# You're unique. Your breast cancer treatment should be, too.

## People are complex and so is breast cancer.

That's why at Dignity Health, Yavapai Regional Medical Group, Breast Surgery we tailor a treatment plan that's right for you and your specific breast cancer.

Our team provides the latest, leading-edge breast surgery techniques and procedures. We bring together a multi-disciplinary group specializing in medical oncology, radiation oncology, radiology, pathology, genetics, and more to create your treatment plan. Depending on your diagnosis, that may include surgery as well as immunotherapy, chemotherapy or radiation therapy.

Our scientifically grounded approach is called "evidence-based medicine." To us that means passionately pursuing medical excellence and the most advanced treatments for you.
