## Experience the Rewards of Service

Volunteers enrich our environment and our community by serving in rewarding capacities at YRMC West in Prescott, YRMC East in Prescott Valley, Advanced Wound Care, the Family Birthing Center, the Breast Care Center, throughout our network of primary and specialty care clinics and through numerous outreach programs.

## We are proud of our Volunteers

Dignity Health, Yavapai Regional Medical Center (YRMC) is proud to offer our patients and their families the services of caring, compassionate and talented volunteers. The contributions of these volunteers have proven invaluable in helping YRMC maintain a “Total Healing Environment” for the patients we serve.

## Everyone age 14 and older is welcome to apply

- Clerical opportunities in office settings
- And so much more

You can also share your unique skills and talents by participating in one of our complementary therapies such as music therapy, art therapy, or pet therapy.
